

Swish Meeting – 22nd August 2010

Present

Emma, Jeff, Sam, Cathy, Claire R, David, Kevin, Charlotte, Sam, Debs, Hayley, Rose

Absent

Charlene, Colin

Points Of Business

Action

Old White Bell and bad blood, following a conversation between Jeff and Peter. It was realised that we (Swish) may have been a little too harsh considering how many small things they have done, including tickets, bar, disco, etc. It was decided that a single point of contact for all requests to the OWB be made by their best customer.

DF

Confidentiality Discussion. It was discussed that meetings should be kept completely confidential as well as completely open. It was decided that we should give people the opportunity to attend a meeting if they so desire but we'd reserve the right to have a private part to a meeting. It was agreed we needed a confidentiality policy. A case by case basis may be necessary for individual applications.

DV

Application form revisited regarding the confidentiality (by 27/08/10)

DF

Project Leaders. It was agreed that a single point of contact for each project, no matter what it's size, is designated. The person in question will be responsible for running and project managing that project.

All

FAT4. It was decided that how Swish 'works' is not how Mr Vigar would like to run things, i.e.: raise money for Swish to then spend on something specific as designated by FAT4.

JP

Wild West Night

EP

The permission from the council has been granted.
Posters have been added to Dents and around the village.

Next Meetings

Sunday 12th September 2010 7pm at OWB

Sunday 17th October 2010 7pm at OWB
