Previous Meeting

Action

Confidentiality Discussion. It was discussed that meetings should be kept completely confidential as well as completely open. It was decided that we should give people the opportunity to attend a meeting if they so desire but we'd reserve the right to have a private part to a meeting. It was agreed we needed a confidentiality policy. A case by case basis may be necessary for individual applications.

DV

Points Of Business

Action

A reply to Steve Vigars letter to be composed to say that his services are not required for Fat4.

RR

It was agreed that Swish should have a point of contact with the parish council.

RR

Financial Statement

Wild West Night profit was £234.78

Petty Cash 'tin' created of approximately £50 and available from Cath.

CR

Wild West Night

EP

Positive feedback received. Lessons learned were that things were cheap, BBQ went very well, Candy floss insufficient numbers, more bins required.

Web site has been updated with Pics and movie clips from the evening.

Bingo Night

SS

Coming along. Still require prizes of things they can use, 36 Bingo, at least 8 Raffle prizes and some Tombola prizes.

Web site has been updated with the details.

Future Events

Race night. The idea is a pre recorded video of horse (pig/ sheep) racing and people bet on the outcome. The event requires an outlay (Approx £30 to £70.) Provisional date to be 26th February 2011. Venue TBA. RR, HV
DF

Kids Christmas disco is a non event as the school is already doing the event.

The idea of a santa visiting the kids come Christmas time was proposed. The idea needs research so it was agreed we'd all give it some thought All

Everyone to send in their [known] holiday dates so a better picture can be created as to available dates for events. DF

Date for the ball to be a Saturday in May. Exact date TBA. Bands to be investigated along with costing's. EP

Karaoke night at the ship. Agreed to be rolled over to the next year.

Possible Spend Options

OAP shopping day. Swish to be able to organise a bus for the Christmas shopping. Currently they pay £7 a head to shop in Peterborough. Investigation required. CR

Gardening. Some OAP's would like they're gardens done. Message to be given to the [next] Bingo night for people to 'ask' for help from Swish. SS

Graffiti Wall. Parish council are still waiting for the quotes from the relevant parties. RR

Defib Unit

Very kindly Ray McCallister came along and gave us a little talk with regards to the defib unit. He's suggested that maybe the best unit for the village would be one that does everything for us. He highlighted that people will need to be trained and have some key users. Also a list of key users would need to be available and essentially "on call" and be made available to the emergency services. The possibility of a

“responder scheme” run by the ambulance service could provide the defib unit as well as help with the training.

Andy Barlow is the ambulance contact who runs the “first responder service ” and can provide us with the info required to create the service. A facebook message has been sent to everyone with the info of the First Responder scheme.
