13	<p>AGM Chair persons report <i>Another very good year for SWISH, finally feel as if the word is out about what we do. Have had some amazing feedback by people this year that are very willing to help us wherever they can. Welcomed a great committee member in Bee this year & thank her for volunteering her time and project managing her own event. Sadly lost Claire Rooney as a member due to personal circumstances. I do feel that SWISH needs to move on & pick up some momentum but understand not always easy as we all work. A great compliment to SWISH was the cheque from Andrew Beswick, but would like to use some of that money to get something useful, no idea what! A new group in the village has started so need to add them to our funding TOTS. If I am not chairperson from now on I still hope to carry on with SWISH in whatever capacity I can and will whole heartedly support the new lucky candidate.</i> Treasures report All committee member are staying on and the below was agreed Chair – Emma, Vice - Rose Treasure – Cath, Vice - Hayley Secretary – Claire, Vice - David Applicant letter received by Cathy Toffy - agreed to accept Cathy as the new member.</p>		Cath
