Present: David, Cath, Rose, Kevin, Chloe, Emma, Claire

- All **Minutes from last meeting:** Agreed.
- DF **Matters arising:** This meeting is designed purely to discuss this years events
- CR **Financial Statement:** Total funds currently stand at £2,599.53
-
- CF **Calendar:** A calendar for and of the village, involving the local residents and businesses. Each month has a pic from either a business or group and a donation can be taken or sponsorship paid.
- CW, KR **Fun Run/Cycle:** Logistics need to be investigated as to the feasibility of a run. The route is critical
- All **Pantomime:** First off a script needs to be obtained. Cathy Tofts will contact her friend for info as well as a friend of Charlene's. Kevin will contact the director of the academy. David has contact his friend Nick who does a lot of AmDram in Rugby for any info too. Date proposed would be 19th December 2015.
- RR **Horse Drive:** For Swish to have a minimal involvement, it's wise for us to approach Neil and see if they would carry the donation buckets on our behalf. Wording is crucial as is investigation as to impact from possible Council approval.
- KR **Theme Park Bus Trip:** Costings required for both coach and Theme park incentives.
- DF **Casino/Poker Night:** Concern for the length of the games means a format with time limited games is necessary. Ask Sean in the first instant as to the logistics.
Play Your Cards Right: All agreed this was an easy game to produce and use at events, but not one for a stand alone event.
Splat! Quiz Night: The idea is to punish those who get questions wrong with egg/foam/etc in the face. Allergies seemed to be an issue to some as would the mess.
Jazz Night/Open Mic: Maybe an evening of Jazz music at the hall and also mentioned was the possibility of an open Mic night. One to discuss at a future date.
- BC **Scarecrow Festival:** Children to make scarecrows, pay to enter the competition and bst scarecrow wins the prize. All thought it a good idea and seemed wise to combine it with an outdoor event and maybe see the scarecrows in the gardens by horse drawn cart tour - chargeable of course.
Charity Car Wash: Not ruled out but a dropped sponge could easily then scratch the paintwork of someones pride and joy. A lot of car wash places are available nearby and prices start from £5 for a full exterior wash but still a possibility although it is hard work.
- BC **70's Ball Fancy Dress:** Date for the diary is 16th May. Theme will be the 70's or 80's, depending upon if the DJ volunteer for the 80's night comes through or not. Cath will go and ask the guy as they had not replied via the Facebook method that they originally volunteered on. night dance. This event essentially replaces the Swish Summer Ball and cost will be kept down by going back to basics.

- EP **D-Day Landing Celebration:** 15th August. This will be our out door summer event and will celebrate 70 years since the end of WW2 (not D-Day.) The date is exactly 70 years since VJ day.
Nominate A Neighbour: Briefly mentioned but not discussed due to time.
Classic Car Show: Briefly mentioned but not discussed due to time.
Popup restaurant: Briefly mentioned but not discussed due to time.
- RR **Race Night:** Proposed date Sat 28th March, advertised 8.30pm start for a 9 o'clock real start
Swish Santa: Dates for this year are 8th & 10th Dec.
- EP **Sports Pavilion:** Planning permission has been submitted and paid for £195.
Emma is having a meeting next week with Roger & Tim, who is creating our applications. The tenders are half finished and are scheduled to be completed by the end of this week along with Jeff's help.
