

Bringing Southery Together

Southery's Wish Foundation

## Annual Events

### Summer Ball

An excellent excuse for everyone to really dress up for the evening, the Summer Ball always has a fantastic turn out of dresses, hair do's, party princesses and James Bond look-a-likes.

### Has Southery Got Talent

A night full of brilliant entertainment, and a few dodgy acts, provided by wannabe stars of all ages. Have you got what it takes to win the vote of the audience?

## A Helping Hand for Southery

Swish (Southery's Wish) was born from an idea by a group of friends with a mutual wish to help out in their local community. Historically funds have been raised for individual projects as and when they have been needed by individual fundraisers. Our aim is to pool together our knowledge and resources to provide one fund for all and our vision is to raise enough funds over a period of time to become an officially registered charity with the capability of dipping into the fund to provide our village with whatever is needed. We intend to do this with various fund-raising events, which not only will raise money but will also allow the village to get together as a community and have some fun in the process.

The Swish Foundation is planning on being a long term charity that will endeavour to support the whole community and also individuals who may find themselves in difficult circumstances and as such the community are invited to put forward their suggestions of where else the Swish Foundation may be able to help the village and distribute its funds.

If you are an individual or from an organisation in the village and know of anyone that you feel could benefit from funding from the Swish Foundation, please fill out the Swish Application Form online and email it to [swish@southery.com](mailto:swish@southery.com), or print it out and post it to: 'Swish', 5 Church Lane, Southery, Downham Market, PE38 0NE. Applications are treated with strict confidentiality and will be given serious consideration.

We currently have a strong team with varying degrees of experience, but if you feel you may be able to help in any way please contact the Swish team at our website.
